# GOOD<sup>TM</sup> DROPS

**GOOD DROPS** waters come from recognized medicinal springs of the famous White Mountains in Crete island of Greece. White Mountains extend to 50km long and 40 wide, while more than 50 of their peaks exceed 2000m altitude. The area provides a mythical scenery of breathtaking peaks, gorges and countless caves. Due to these characteristics the region has been protected from human intervention and nature has remained untouched and unpolluted. Stemming from this blessed point of Nature, the springs offer water generously throughout the year.

**GOOD DROPS** waters proudly carry the acknowledged healthy properties of the springs and are characterized by lowest values of NO<sub>2</sub> and NO<sub>3</sub> and minimum sodium content. They have excellent taste and combine refreshing coolness with beneficial action.
